1. OVERVIEW

Thank all of those who donated through 2014, we said “goodbye” to a few donors, but also a “hello” to many more. Thank you all for supporting our project.

In 2014 we spent most of the year looking for a monthly donation processing service that was still free. We are still on the look out and are hoping to have this resolved in 2015 or early 2016. Finding a solution here, will free up our time to be able to publicise the projects much more and get month monthly donors on board.

MJFFC: MJFFC is the charity name for all of the things we do. It is run entirely by un-paid volunteering Michael Jackson fans. 100% of the money made through our ideas goes to charity.

‘Michael Jackson Monthly Giving’ (MJMG): MJMG is the main project from MJFFC. This is the project that takes in monthly donations from fans and has been growing every month. When a fan donates one-off payments to MJFFC, this goes into the same pot as the monthly donations and they act as a top-up to the main monthly donation.

2. OUR DONATIONS TO CHARITIES
