# 1. OVERVIEW

Thank all of those who donated through 2015. Thank you all for supporting our project.

**MJFFC:** MJFFC is the charity name for all of the things we do. It is run entirely by un-paid volunteering Michael Jackson fans. Currently 100% of the money made through our ideas goes to charity. Any additional Gift Aid that we can claim back from the UK government is used for admin and fundraising, but all of our volunteers remain unpaid and cover all of their expenses. This maximises the amount of money we can give to charity each month.

**'Michael Jackson Monthly Giving' (MJMG):** MJMG is the main project from MJFFC. This is the project that takes in monthly donations from fans and has been growing every month. When a fan donates one-off payments to MJFFC, this goes into the same pot as the monthly donations and they act as a top-up to the main monthly donation.
