ANNUAL REPORT 2017

1. OVERVIEW

Thank all of those who donated through 2017. Thank you all for supporting our project.

MJFFC: MJFFC is the charity name for all of the things we do. It is run entirely by un-paid volunteering Michael Jackson fans. Currently 100% after transaction fees of the money giving through PayPal Giving fund goes into the beneficiaries pot. Standard monthly PayPal donations from members of our main project is subject to a 1.4%+20p transaction fee. Soon to become 5%+5p to make smaller donations go further. Any additional UK Gift Aid that we can claim back from the UK government is used for admin and fundraising, but all of our volunteers remain unpaid and cover all of their expenses. This maximises the amount of money we can give to a different beneficiary as a group each month.

The 'Michael Jackson Monthly Giving' Project (MJMG) is the main initiative from MJFFC. This is the project that takes in monthly donations from fans and has been growing every month. When a fan donates one-off payments to MJFFC, this goes into the same pot as the monthly donations and they act as a top-up to the main monthly donation.

2. OUR DONATIONS TO CHARITIES

Each month we tally together all of the donations made to us from a variety of sources. We are pleased to announce that for 2017 we raised £3,318.19 for various charities.

3. DIRECTOR SUMMARY

Again I would like to thank all of those Michael Jackson fans that have stuck with the project for so long and continue to donate month. None of this is possible without your help.

The wheels are very much in motion for MJFFC to not only be recognised as a charity for tax purposes (which we already are), but to also be registered with the Charity Commission in the UK. Of course this takes more time and means more expenses, so we will be looking at the best way to tackle this over time.

Thank you for your patience!

If you have any feedback for us, WE LISTEN! You can provide feedback here:

Thank you all again.

ALL you need is LOVE and all we need is your continued support. ;-)

Thank you.
